

April: Monthly statistics

The number of customers at Avanza has during 2021 increased by 191,600, amounting to 38,800 new customers in April. This resulted in 1,471,900 customers at the end of the month. Net inflow in April was SEK 8,730m*, amounting to SEK 39,300m* during 2021.

To make it easier to assess Avanza's development, commission generating turnover and the share of turnover in foreign securities have been added to the monthly statistics. The [Monthly statistics](#) and the [Key Data](#) on the website have been updated with the corresponding data. Please note, that the share of turnover in foreign securities includes all commission generating turnover, unlike the figures previously reported in the interim report, which only includes stock trading.
